

EXECUTIVE MBA – Programme Objectives & Outcomes

Programme Objectives

This programme will equip the student participants with the management fundamentals, critical perspectives of modern management practices, and contemporary & future trends to fast-track your managerial career and scale to senior decision-making positions.

Outcomes

EMBA Graduates will demonstrate excellence in the following:

Students gain self-awareness in their roles as leaders to acquire diverse perspectives and skill sets, and work collaboratively in a variety of contexts and situations.

Students will be able to make decisions that shape comprehensive responses to business challenges and opportunities.

Students make competent and ethical decisions in order to create and sustain economic, social and environmental value.
