Subject: - Raman Fellowship for Post Doctoral Research in USA for the Year 2015-16 to be awarded by University Grants Commission.

Sir/Madam,

With reference to your application on the subject cited above, I am pleased to inform you that the UGC has awarded you Raman Fellowship for Post-Doctoral Research in USA for a period of **9 Months**.

The candidate selected for the award of this fellowship should join the fellowship host institution in USA within six month period from the date of award announcement.

Rules governing payment of salary, Study leave, medical, gratuity, GPF and Pension etc. of the organization / institution / university to which the fellow belongs would continue to be applicable. No liability on any of these accounts will be borne by UGC. However, UGC letter No. 1-6/2012(PS) dated 7th June, 2013 (copy enclosed) may be referred to regarding the grant of study leave to university and college teachers.

The terms and conditions governing the fellowship are as follows:-

- The fellow will be entitled to fellowship amount of US \$ 3000 per month.
- The fellow will also be entitled to one time personal contingency grant of up to a maximum amount of Rs. 50,000 to cover for visa, airport transfer, medical insurance etc.
- Fellow will also be permitted to travel within USA to attend conferences or other institutes of interest with the approval of the advisor of the host institute. The fellow will be provided grants for this purpose as per the following:
 - I. Grant of \$ 600 for fellowship period up to 6 months.
 - II. Grant of \$ 1200 for fellowship period beyond 6 months.

Air-tickets for the selected fellow would be purchased by the respective university/institution by economy class for shortest route directly from Air India from their place of work in India to the place of the American host institute and back. The actual ticket amount would be reimbursed by UGC to the institution for the same on submission of the following documents duly certified by the competent authority of the institution:

ODISHA BIGYAN ACADEMY
BHUBANESWAR

SAMANTA CHANDRA SEKHAR AWARD - 2016

PROF. SWAPNA MAHAPATRA

Madam,

You were born at Cuttack in 1960. After completing B.Sc. and M.Sc. in Physics from Ravenshaw College, you obtained M.Phil. and Ph.D. from Institute of Physics, Bhubaneswar, with laurels such as best student, best lady graduate and so on. You carried out your Post-Doctoral research at reputed institutions like TIFR Mumbai, IMS Chennai, and University of Berlin, Germany. You worked at Utkal University in CSIR Scientist Pool for a couple of years and in 1997 joined Physics Department of the University where you are currently working as a professor.

Your research career spans over 33 years in the field of High Energy Physics and Gravitation & Cosmology. You have published over 40 research papers in professional journals with total citations being more than 550, besides giving presentations at a number of national and international conferences.

Besides being member of several professional bodies, you have received many awards and recognitions that include Alexander von Humboldt Fellowship, Germany; Guest Scientist, Max Planck Institute, Germany and Utrecht University, the Netherlands; Regular Associateship of ICTP, Italy; Visiting Scientist, Harvard University; and many others.

In recognition of your very valuable contributions as a physicist, the Odisha Bigyan Academy feels proud to honour you with the Samanta Chandra Sekhar Award in the category of Physical Sciences for the year 2016 and wishes you many more achievements in future.

ARABDHA- 2019

Eminent Speaker Award- 2019

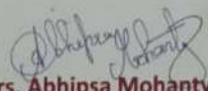

Dr. Dasarathi Sahu

Reader, HOD, Dept. of Business Studies
Utkal University , BBSR

Respected Sir,

International Institute of Management and Technology (INMT) is one of the premier B school of the country. Since its inception, the institution have been maintaining a group of professionals who believe that with passage of time the excellence of quality education has been maintained with exceptional academic delivery and infrastructure to its students. The institution offers innovative and globally accepted programs and great opportunities for all round development that reforms its students into leaders of future. The institution have been organizing a welcome ceremony for the freshers of new batch namely "ARABDHA" since beginning where they get chance to meet the most renowned and reputed personalities of the state which not help them for shaping their future but also provide motivation to move towards success.

We are very much proud having the presence of your esteemed self in this ceremony. Your dedicated work in the field of education sector in the national level is adored by all. With due regard to your contribution towards motivating the students with your inspiring speech, INMT is very proud to felicitate you as "**Eminent Speaker Award- 2019**" in the welcome ceremony "Arabdha". We pray, may Lord Jagannath Swami bless you a healthy and peaceful life.

SCROLL OF HONOUR

Presented to

Prof. Rama Chandra Mohanty

Former Head, PG Department of Botany,
Utkal University, Bhubaneswar, Odisha

With immense pleasure, we appreciate your outstanding academic contributions as a teacher, researcher and a scholar from the state of Odisha.

You started your teaching career in Regional College of Education, Bhubaneswar and subsequently in U. N. College, Sambalpur, after which you joined as a faculty member in Utkal University in 1971 and continued your academic journey for more than three decades till your retirement in 2009. In recognition to your academic contribution, you were awarded JCC Emerita Professorship during 2010-2011 and a CSR Emerita Professorship during 2012-2013. During the academic career in the university you have published more than 110 research papers and successfully supervised 10 Ph.D./D.Sc. students as different aspects of aquatic, terrestrial microbiological, environmental and some medical themes.

Your effort in opening a PG course in Applied Microbiology about 75 years ago in Utkal University showed the road map for microbiology education in Odisha. Your pioneering research work in the field of genetic microbiology, sensory toxicity in phytoplankton, Azolla-Lyngbya symbiosis, mutation and its correlation to rice field fertilization, development of bacterium as probiotic for fish and shrimp are some of the landmarks in the field of microbiological research in the state.

Your edited three books pertaining to the themes of environmental microbiology will ever remain valuable resource to the students of microbiology. Besides, your research on Azolla-Lyngbya symbiosis as health and perhaps control of eutrophication is a testimony in field of microbiology.

Apart from teaching and research, you have served Utkal University in various administrative capacities as Registrar, Director, U.S.E., Director, U.S.E., Prof. in charge, Pancha library, Member, PG Council, Dept. of Employment Bureau, etc. Besides you served the Centre of Excellence, Environment, Public Health & Climate Change, Utkal University as the distinguished honorary Prof. Emeritus.

In view of your immense contribution in microbiological research and education, the Microbiological Society India confers on you the 'Life Time Microbiology Achievement Award' for the year 2020.
