4.4.1 Total expenditure excluding salary for infrastructure augmentation during the years

Expenditure excluding salary for infrastructure augmentation

The University encompasses a well maintained lush green campus spread over 380 acres of land ensuring adequate availability and optimal utilization of physical infrastructure for teaching learning activities.

Classrooms: college encompasses sufficient number of well-furnished, well ventilated, spacious classrooms equipped with LCD projectors for conducting theory classes. Technology Enabled learning facility: The University has ICT Class rooms where the provision of Multimedia learning, Wi-Fi connectivity and internet access is given. Seminar Hall: The College has multiple seminar halls. These halls are regularly used for conducting national / international seminars. The students are promoted for active involvement in paper presentations, group discussions, etc.

Tutorial rooms: Separate tutorial rooms are there in the campus for tutorial lecture, doubt clarification and special remedial classes for weak and needy students.

Laboratories: All laboratories are well equipped with state of the art equipment and facilities. All the laboratories are established as per UGC norms. These labs are utilized for conducting practical classes as per the requirements of the curriculum. Labs are also utilized for technology learning & training as a part of teaching contents beyond the syllabus.

Wi-Fi: The entire campus is Wi-Fi enabled with 24/7 internet facilities to the students and staff. Internet facility is available in whole campus including labs, classrooms, library, offices of all Departments and hostels.

Central Library: Our central library is fully computerized by automating the issue of books with bar code reader. The library has conference room and an ample study space.

Repair and Maintenance: Maintenance of buildings and related areas are undertaken by the Admin department. Maintenance staff consists of Electricians, Carpenters, Plumbers and other service personnel. Admin office and his team are involved in the monitoring & maintenance of infrastructure facilities. This team looks after the regular maintenance of civil works such as furniture repairs, masonry and plaster works, painting, carpentry, plumbing and house- keeping. Pest control of library books and records is done every year by the maintenance department. A regular update on new additions is provided by the library. The librarian is the in charge for handling all the maintenance works required in the library through maintenance staff. Physical resources like Class rooms, labs, seminar halls, auditorium, hostels etc come under daily maintenance. The Admin department takes rounds of all the class rooms and auditorium every day. In case of requirement for maintenance such as lights, fans, benches, etc., will be attended by maintenance staff. The maintenance of equipments used for watering the plants, sewage, bore-well & gardening is done on a regular basis. The campus is equipped with 24/7 safe and adequate drinking water supply. Fire extinguishers are installed in various blocks and the campus is under CCTV surveillance. The other emergency maintenance like replacing bulbs/tube lights, repairing of water taps, cleaning of blocked drains, etc. are taken care of by the multi-tasking staff. The Sports officer takes responsibility for all repairs pertaining to sports equipment and courts. He has to maintain courts properly on daily basis with the help of the maintenance staff. Electricians are available round the clock to address power breakdown. Admin department monitors the services of electricians. They perform regular checks in classrooms and in the campus to ensure that all electrical fittings are in excellent condition.
