### STAKEHOLDERS REPORT AND ACTION ON FEEDBACK

(2017-19)

<ul style="list-style-type: none"> <li>Stakeholders from whom feedback has been taken collected</li> </ul>	<ul style="list-style-type: none"> <li>Analysis of the feedback and the salient outcome</li> </ul>	<ul style="list-style-type: none"> <li>Outcome based action taken by the university</li> </ul>
<ul style="list-style-type: none"> <li>Students</li> </ul>	<ul style="list-style-type: none"> <li>Demand was for more number of teachers and to introduce more specialisations.</li> </ul>	<ul style="list-style-type: none"> <li>University recruited Guest Faculty (full time) under RUSA programmes.</li> </ul>
	<ul style="list-style-type: none"> <li>To make the class rooms ICT driven</li> </ul>	<ul style="list-style-type: none"> <li>University has free WiFi, dedicated computer labs, faculty members provided with laptops to facilitate ICT driven classroom transactions. Moreover, E-Library with subscription to more than 20,000 e books and journal has enabled the students for better exposure.</li> </ul>
	<ul style="list-style-type: none"> <li>To electrify the campus and make provision for students safety.</li> </ul>	<ul style="list-style-type: none"> <li>University has tried to provide electricity to all nook and corners of the campus to ensure safety of the students and the security system, patrolling provisions have been made more stringent and more security has been deployed in the isolated areas of the campus.</li> </ul>
	<ul style="list-style-type: none"> <li>To facilitate language training.</li> </ul>	<ul style="list-style-type: none"> <li>Japanese and French language training programmes have been launched to increase students' language competencies.</li> </ul>
	Skill training particularly communication, Personal interview skills was demanded by the students.	The university through Centre for innovation and incubation has introduced and organised such programmes in a massive fashion to provide skills to the students.
Alumni	Suggested to activate the Alumni platform in a centralised manner.	In 2019 a centralised Alumni platform was created.
	To organise a mega programme'' Meet your Alum and Alma mater''.	In the Platinum Jubilee Year, a mega Alumni meet was organised by the University.

	To make alumni connect programmes with students and teachers on a continuous basis.	The alumni connect programmes have been made very frequent where alumni from the country and outside the country are able to connect to the new generation of teachers and students and are acting as role models and are inspiring the new generations of students by recollecting their campus lives.
Employer	To connect class rooms with organisations to provide hands on experience to better off student's competencies and to capacitate them to enter into the job market.	<p>Internship has been designed by different departments with organisations for responding to their feedback.</p> <p>Add -on and Value Added courses have been scaled up to create more capacity and make the students more skilled for the employment market.</p>
Parents	To uplift hostel conditions and to ensure better service facilities	<p>The university through the has undertaken massive repair and renovation works in the hostels and have taken a proactive effort to develop infrastructural arrangements therein and to improve the ambience of the hostels.</p> <p>The university has also negotiated to standardise the food supply with centralised facilities.</p>
