Professor and Head
Chairperson, D.R.C. in Sociology

Date: 04. 01. 2023

Dear Scholars,

It is really a matter of privilege for us to have you as one of our research scholars. Your research will be not only an achievement for you but a rich resource for our department. The department is keen to produce good research and enriched research scholars who can contribute significantly to the domain of knowledge and to the academics of the state and nation in the future. In this context, we want the research should be published timely, the findings need to be disseminated widely and placed in good research journals and carry good quality with them. For this, as you know, the D.R.C. in Sociology had resolved to make a biannual progress review of the researchers which is also a mandate of the U.G.C. Ph.D. guidelines. The review is scheduled to be held on 11th January 2023. It will be done in physical mode. All the research scholars are requested to join the platform to present their progress. The guide's presence will add meaning to the review and help us in exchanging thoughts.

What do you need to do for the review?

- **Make slide presentation (slides need not exceed 6)**
- **Slide-1----Topic, Name of the scholar and guide**
- **Slide-2----Date of registration, status (fellowship or non-fellowship holders)**
- **Slide-3----Where I am right now? (With regard to my Ph.D. work—chapters in progress and chapters completed)**
- **Slide-4----What are the allied academic achievements I have made to date? (Publications----submitted, accepted, and published, presentations in workshops and seminars, etc.)**
- **Slide -5----Road map for the next six months**
- **Slide-6---Bottlenecks if any**

You are requested to submit a copy of your presentation (in hard copy) to Dr. Tanaya Mohanty and Dr. Papesh Lenka, Asst. professors, Dept. of Sociology, Utkal University for onward transmission to the Chairperson, D.R.C.

Take this seriously. This small endeavor is expected to benefit you and the Department in smoothening the research ecosystem.
