INTERNATIONAL SEMINAR

on
**“Institutional Excellence
for Economic Growth”**
and
Felicitation on Superannuation
to
Prof. Ranjan Kumar Bal
28-29 January, 2018

P.G. Department of Commerce (DRS-III)
Utkal University, Bhubaneswar
Odisha, India

Dear Madam /Sir,

The P. G. Department of Commerce, Utkal University, Bhubaneswar cordially invites you to the International Seminar on “Institutional Excellence for Economic Growth” and Felicitation on Superannuation to Prof. Ranjan Kumar Bal on 28-29 January, 2018.

THE UTKAL UNIVERSITY

Established in the year 1943 and situated on a sprawling picturesque lush green campus of about 400 acres, it boasts of being the seventeenth oldest University in India. This teaching-cum-affiliating University has at present 27 Post Graduate departments and 30 self financing programs in various disciplines of Science, Humanities, Law, Social Science, Commerce and Management with about 4000 students on roll. In recognition to its contribution to the nation building, it has been accredited 'A+' by the NAAC, UGC, New Delhi.

THE DEPARTMENT OF COMMERCE

This is a jewel on the crown of the Utkal University. The Post Graduate Department of Commerce started functioning from the year 1962 when the University was shifted to its present campus at Vani Vihar. Late Prof. Suryakanta Das, the first Indian to get DBA from Washington University, USA was the first Head of the Department of Commerce. He nurtured the department like his child and brought many laurels for the department. The department feels proud of its students who are now holding many highest echelons in the field of business, industry and Government.

The department has been playing a pioneering role in the promotion of Commerce and Management education in the state of Orissa. It is functioning as a teaching, training and research centre. The department offers M. Com, MBA (FM), M. Phil and Ph. D. programmes.

THEME OF THE SEMINAR

Institutions play a pivotal role in the socio-economic development of any nation. Modern Europe and America owe their development to the existence of robust and performing institutions. The developmental role played by the World Bank, in reshaping the nations ravaged by world war and the IMF in maintaining economic stability amidst the ever volatile world economy is in itself a case to appreciate the importance of performing institutions. In similar lines, all developed nations are heavily dependent upon the excellence of their institutions for their economic and social development. Various studies stand testimony to the overwhelming role played by institutions for the development of countries around the globe.

Contrary to the developmental role, unequal institutions strongly limit development by reducing the capacity of individuals to access resources, expand production and increase their incomes. A comparative analysis of development trajectories of countries indicates that institutions which benefit elites and allow their appropriation of resources and products have perpetuated underdevelopment. In this backdrop, the proposed international seminar endeavours to bring in academicians, practitioners, policy makers, researchers, etc. under one platform to probe and analyse the roleof institutional efficiency in economic growth.

Branch	:	UU Campus, Bhubaneswar, Odisha

ACCOMMODATION

For out of station participants (presenting papers) will have to pay Rs. 1000 per head towards accommodation for two days.

ABOUT THE CITY OF BHUBANESWAR

Known as the “Temple City”, Bhubaneswar has a unique position by virtue of the ability to seamlessly integrate its rich cultural heritage with a strong regional economic base. Founded during the Kalinga empire over 3,000 years ago, Bhubaneswar today boasts of a cluster of magnificent temples, constituting a complete record of Odisha temple architecture from its early beginnings to its culmination.

Post-Independence, the modern city of Bhubaneswar, designed by German architect Otto Konigsberger in 1946, was established to shape the city in serving as an administrative centre for the state. Today, the city is an emerging hub for education, health and information technology.

Further, Bhubaneswar also plays an important role as a regional gateway to the Golden Tourist Triangle of Puri, Konark, and Chilika Lake. Its strategic geographic location along the east coast of India, has positioned Bhubaneswar to serve as the gateway to South-east Asia with easy access to existing and emerging ports, petrochemical and steel hubs at Paradeep, Kalinganagar, Dharma and Gopalpur. Additionally, a number of new ports are being proposed along the Odisha coast, which will further improve connectivity required for exports.

CONNECTIVITY/REACHING BHUBANESWAR

Bhubaneshwar is well connected through Rail, Road and Air Network. Information on How To Reach Bhubaneshwar. Bhubaneshwar is well linked by air to Delhi, Chennai, Varanasi, Nagpur, Calcutta, and Vishakhapatnam on daily basis flights by Indian Airlines. The Biju Patnaik Airport at Bhubaneswar provides daily connections to Kolkata and Delhi. Indian Air Lines, Indigo, Jet Airways, Air Sahara and Air Decan are the domestic airlines also flying to Chennai, Visakhapatnam, Mumbai and Hyderabad. The airport is 10 km from the University Campus.

Superfast trains connect Bhubaneswar to major cities of India. A major railhead on the East Coast (E Co) Railway, it has fast and super fast train links to Kolkata, Guwahati, Delhi, Chennai, Hyderabad, Bangalore, Thiruvananthapuram, Mumbai, Ahmedabad and other important centres of the country as well as within the state. The station is located in the centre of town.

Bhubaneswar is well linked to the rest of India by the national highways. The New Bus Stand in Bhubaneswar is on NH5, at Baramunda, about 6 km from University Campus.
