

Alumni Association, Department of Chemistry, Utkal University

Invites you to the

First Siba Ram Mohanty Memorial Lecture on

"Indian Nuclear Energy Programme: Past, Present and Future"

Organized by Department of Chemistry, Utkal University, Vani Vihar, Bhubaneswar, Odisha

Prof. S. R. Mohanty, Ph.D. (BHU), D.Sc. (BHU), Ph.D. (Cantab), Ex-Professor of Chemistry, Utkal University, Ex-Vice Chancellor, Berhampur University joined the Department of Chemistry as Professor in December 1967. Prior to that, he was working as a Reader in Chemistry at BHU. He worked on different aspects of Physical Chemistry. In the Department of Chemistry, Utkal University he established an excellent research laboratory to work on the annealing of radiation damage in solids and solvent extraction of radioactive elements. He had successfully guided 32 Ph.D. students and published more than 175 research articles in national and international journals including several papers published in Nature. In 1981, he moved to Berhampur University as Vice-Chancellor. He had significantly contributed to the growth, and development of this Department.

Chief Speaker

Prof. A. K. Tyagi

Director, Chemistry Group, BARC, Senior Professor, Homi Bhabha National Institute (HBNI), Mumbai, Fellow of the Maharashtra Academy of Sciences; Royal Society of Chemistry; National Academy of Sciences, India; Indian Academy of Sciences; Asia Pacific Academy of Materials and World Academy of Ceramics

Chair

Prof. S. P. Rout

President, Alumni Association
Department of Chemistry, Utkal University

Convener

Dr. B. N. Patra

Secretary, Alumni Association
Department of Chemistry, Utkal University

Date: 12th February, 2022, Time: 3.00pm
