(Supported by the DBT, Govt. of India)
UTKAL UNIVERSITY, VANI VIHAR,
BHUBANESWAR-751 004, ODISHA

Letter No. UBT/413/2026,

Dated:09.09.2026

Walk-in-Interview for engagement of Junior Research Fellow (JRF)-01 No.

A Walk-in-Interview will be held on 18.09.2026 (Friday) at 11.30 A.M. in the Department of Biotechnology, Utkal University, Bhubaneswar for engagement of a Junior Research Fellow (JRF) on purely temporary basis under the Collaborative Research Project entitled "Understanding the Molecular mechanism of anti-thyroid drug (propylthiouracil)-induced redox imbalance and epigenetic alteration' as a possible trigger for Alzheimer's disease" sponsored by the DST, Govt. of Odisha.

Candidates should have passed M.Sc. in Biotechnology/Life Science/Zoology/Allied subjects of Life Sciences with a minimum 55% marks. Candidates with research experience in the related area may be given preference.

Interested candidates need to send their CV and other supportive documents (Certificate and Mark sheets) to the undersigned through **e-mail: jd.biotech@utkaluniversity.ac.in** latest by 16.09.2026 up to 5.00 p.m.

Candidates are also required to produce their bio-data, original certificates, a set of all mark sheets and certificates (xerox copy) in support of their educational qualifications, experiences and credibility for verification at least before one hour of the interview. The remuneration of JRF is Rs.19,000.00 (Rupees nineteen thousand) only per month. The tenure of engagement will be up to 30.09.2027 or, as decided by the funding agency, whichever is earlier. Authority reserves the right for selection or rejection of any candidate and to cancel this notification without assigning any reason thereof. No TA/DA will be provided for attending the interview.

Prof J. Dandapat,
P.I., Collaborative Project
